

Tri-State Trails Tour VII

Due to construction-related closure of the key link between Iowa and South Dakota, the official route of Tri-State Trails Tour VII will be held entirely in Nebraska. Riders seeking more miles to ride are free to cross the Missouri River bridge on the connecting trail and ride trails or roads in Iowa and South Dakota, but there will be no traffic support. (Our SAG service will respond to riders during the ride hours anyplace in the metro area.)

Tri-State Trails Tour VII has been designated the Al Bengtson Memorial Ride in honor of South Sioux City Councilman Al Bengtson who we lost in 2010. Al was the visionary behind South Sioux City's award winning trail system and South Sioux City being nationally recognized as a Bicycle Friendly Community!

The vast majority of this ride is on trails - riders will be able to ride on the brand new All American Trail on the west side of South Sioux City. An optional pre-ride pancake breakfast is offered. The ride features a rest stop with complimentary snacks and beverages. The ride also passes directly by several businesses where riders can obtain coffee or snacks.

This is a non-competitive, fun, and family-friendly ride. Helmets are required. Your registration money supports the Tri-State Trails Foundation in its efforts to improve and promote local trails.

The ride is always the first Saturday after Mother's Day so please come to the Siouxland area and participate in a day of fun and bicycling.
